

## **THE HUB TALKS - CHATGPT, AI AND LEARNING IN HIGHER EDUCATION – Wednesday, 5<sup>th</sup> July, 18:30, British Council Hub Space**

Join us in our Hub Space at Calea Dorobanti 14 to hear presentations by experts from the **London School of Economics on Wednesday 5<sup>th</sup> July at 18:30.**

Are you going to study at a university soon? Are you simply interested in the future of learning? Don't miss this opportunity!

**Professor Emma McCoy (Vice President for Education) will be talking about ChatGPT, AI and what these mean for higher education.**

*Emma is a Professor of Statistics and has advised the UK government on maths education in the National Curriculum. She was the first female professor of maths at another London institution, Imperial College.*

**Professor Susana Mourato (Vice President for Research) will tell us about the L.S.E.'s engagement with Romania.**

*Susana is a professor of Environmental Economics at L.S.E. and also holds a leader position at the Grantham Research Institute on Climate Change. She is involved in Climate for Culture project, which investigates the effects of climate change on Europe's historical building.*

We will also be joined by some alumni from the L.S.E.! You'll have the chance to chat with them and learn from their experiences.
