- 2) At least 4 articles in prestigious journals recognized in the field of legal sciences or indexed in at least 2 recognized international databases, of which at least 3 as sole author, in the field of research
- 3) At least 3 participations in national or international conferences, of which at least one as sole author, in the field of research.

II. Minimum criteria for "Very Good":

- 1) At least 4 articles in ISI-listed journals, in prestigious journals recognized in the field of legal sciences or in journals indexed in recognized international databases, of which at least 2 as sole author, in the field of research
- 2) At least 4 articles in prestigious journals recognized in the field of legal sciences or indexed in at least 2 recognized international databases, of which at least 2 as sole author, in the field of research
- 3) At least 3 participations in national or international conferences, of which at least one as sole author, in the field of research.

III. Minimum criteria for "Good":

- 1) At least 4 articles in ISI-listed journals or in prestigious journals recognized in the field of legal sciences or in journals indexed in recognized international databases, of which at least 1 as sole author, the field of research
- 2) At least 4 articles in prestigious journals recognized in the field of legal sciences or indexed in at least 2 international databases, of which at least 1 as sole author, in the field of research
- 3) At least 2 participations in national or international conferences, of which at least one as sole author, in the field of research.

IV. Minimum criteria for „Pass”

- 1) The PhD student must have participated in at least three scientific events organized by the doctoral organizing institutions and to have published the research results in the publications of the conference organizers, proven by the conference programme.
- 2) Publication of at least one article in journals indexed in international databases.

NB

In order to be awarded a qualification, all the criteria provided for the award of that qualification must be met cumulatively.

Both published and in-printing articles that are accompanied by a certificate of acceptance from the editor-in-chief of the journal in which the article is published will be considered.

All articles and papers published must mention the PhD student's affiliation with ASE Bucharest.
