Albu Lucian Liviu

Lista de lucrări (autor, coautor sau coordonator)

1. *Școala și facultatea ne decid viitorul, datoria noastră fiind doar de a-l găsi*, (pp. 19-27), Academia de Studii Economice din București, 110 ani de performanță contunuă, Editura ASE București, 2023.

2. *Does digital finance promote the green innovation of China's listed companies?* Energy Economics, Volume 114, 106254, October 2022.

3. *Romanian Farmers' Markets: Understanding the Environmental Attitudes of Farmers as an Instrument for Bioeconomy Development*, Sustainability 14 (18), 11553, 2022.

4. *Estimating the correlation between natality and economic growth*, Proceedings of the Romanian Academy, Proc. Rom. Acad., Series B, 2022, 24(2), p. 153–169, May - August 2022.

5. *Resource extraction, greenhouse emissions, and banking performance*, Resources Policy, 79, 103122, December, 2022.

6. *Evaluări ale impactului macroeconomic al Covid-19* (pp. 215-260), Pandemia – Constrângeri și opotunități economice, Editura Academiei Române, București, 2021.

7. *Estimates of Dynamics of the Covid19 Pandemic and of its Impact on the Economy*, Journal for Economic Forecasting, 2, pp. 5-17, 2020.

8. *Evaluări ale impactului macroeconomic al COVID-19*, SARS-CoV-2: Studii ale cercetătorilor Academiei Române, Academia Română, mai 2020.

9. *Models for Nonlinear Decisions Overview and Two Case Examples in Finance and Energy*, Journal for Economic Forecasting, 2, pp. 194-201, 2020.

10. *Estimates on the dynamics of the COVID-19 pandemic and its impact on the economy*, Working Papers of Institute for Economic Forecasting 200518, 2020.

11. *How much will the Coronavirus pandemic expand ?* MPRA Paper 99862, University Library of Munich, Germany, 2020.

12. *Nonlinear Modeling of Financial Stability Using Default Probabilities from the Capital Market*, Journal for Economic Forecasting, 1, pp. 19-37, 2019.

13. *Trends Convergence in EU: from country level to regions and counties' level*, Institute of World Economics and Politics, Chinese Academy of Social Sciences, 23 September, Beijing, 2019.

14. *Public debt sustainability in EU*, Institute of World Economics and Politics, Chinese Academy of Social Sciences, 23 September, Beijing, 2019.

15. *Convergence in EU: from country level to regional level*, the Annual Conference of ERSA, European Regional Science Association, Lyon, France, 28 August 2019.

16. *A Model to Simulate the Convergence Process in the EU and in the Balkans Region Based on Empirical Evidence*, EBEEC 2019 Economies of the Balkan and Eastern European Countries, Volume 2019, KnE Social Sciences, Knowledge E, pp. 116-128, 2019.

17. *A model to estimate the public debt sustainability function and its limit-values in EU*, EcoMod2019 - International Conference on Economic Modeling and Data Science Ponta Delgada, Azores, Portugal, 10-12 July 2019.

18. *Trends in FDI and its role in Development and Convergence*, CASS Forum 2019: "Belt and Road" International Investment Forum - Achievements and Experience in "Belt and Road" international investment, IWEP, CASS, Beijing, 20 May, 2019.

19. *Trends in FDI and its role in Development and Convergence*, Working Papers of Institute for Economic Forecasting 190612, 2019.

20. *Are there some limit-values of tax evasion? Application to EU*, 2019 Shandong Economics 14th Annual Conference and International Conference on Economics and Social Sciences, Qingdao, China, April 20, 2019.

21. *Impactul aderării României la Uniunea Europeană asupra economiei românești. Analiză sectorială*, Studii de Strategie și Politici SPOS, Institutul European din România, 2018.

22. *Leadership and Firm Size: Evidence from an Empirical Relationship in Czech Companies* (pp.: 311-323), Leadership for the Future Sustainable Development of Business and Education (Eds.: Strielkowski, W., Chigisheva, O.), SPRINGER International Publishing, 2018.

23. *Convergenţa macroeconomică şi regională* (pp. 419-437), Economia României după marea unire, Vol. I, Macroeconomia (coord.: Iancu, A., Păun N.), Editura Academiei Române, 2018.

24. *Convergenţa macroeconomică şi regională*, Studii Economice 181214, National Institute of Economic Research, 2018.

25. *Economia României în anii centenarului* (pp. 231-240), Cunoaște România Centenară (coord.: Văcărel, I., Anghelache, C.), Editura Economică, 2018.

26. *A Model to Simulate the Dynamics of Public Debt Sustainability in EU,* Studies in Business and Economics, vol. 13(1), pp. 90-96, 2018.

27. *A model to quantify the limit-values of tax evasion: applications to EU area*, 24 May, the 25th EBES Conference, Berlin, Germany, May 23-25, 2018.

28. *Trend in real convergence and structural change in EU*, Institute of World economy and Politics, Chinese Academy of Social Sciences, Beijing, June 2018.

29. *Three different trends of convergence in EU*, the EcoMod Annual Conference, Venice, Italy, 4-6 July 2018.

30. *Trends in regional convergence in EU*, the Annual Conference of ERSA, European Regional Science Association, Cork, Ireland, 28-31 August 2018.

31. *Institutul de Prognoză Economică – Cercetare științifică academică de excelență*, Economistul, 4 (290), Aprilie, pp. 76-81, 2018.

32. *How is working the mechanism of economic convergence in EU*, International Conference "Current Economic Trends in Emerging and Developing Countries" (TIMTED-2017), 18 May, Timisoara, 2017.

33. *Risk Generating Industries for European Stock Markets*, Journal of Economic Computation and Economic Cybernetics Studies and Research, 4, 5-17, 2017.

34. *Budgetary Spending and Growth in the EU*, Journal of Financial and Monetary Economics, vol. 4(1), 11-17, 2017.

35. *The impact of biofuels utilisation in transport on the sustainable development in the European Union*, Technological and Economic Development of Economy 23 (4), 667-686, 2017.

36. *Non-Linear Modeling of the Impact of the Crisis on the Interactions among Financial Markets and Macroeconomic Variables in CEE Countries*, Economic Issues, Problems and Perspectives Series, Nova Science Publishers, Inc., New York, 2016.

37. *Impact of FOMC Official Speeches on the Intraday Dynamics of CDS Markets*, Journal for Economic Forecasting, 2, pp. 5-12, 2016.

38. *Convergence and Divergence in EU: A Nonlinear Approach to Regional Level* (pp. 87-112), Selected Issues in Macroeconomic and Regional Modeling: Romania as an Emerging Country in the EU (Eds.: Dobrescu E., Pauna B., Saman C.), Economic Issues, Problems and Perspectives Series, Nova Science Publishers, Inc., New York, 2016.

39. *Assessment of Macro-Level Socioeconomic Factors That Impact Waterborne Diseases: The Case of Jordan,* International Journal of Environmental Research and Public Health, Vol. 13, Issue 12, 1-15, 2016.

40. *Modelling of the relation between financial market and growth in EU: convergence and behavioural regimes,* EcoMod2016 9694, EcoMod, 2016.

41. *Trends in the relation between regional convergence and economic growth in EU*, Working Papers of Institute for Economic Forecasting 161101, 2016.

42. *Trends in the relation between regional convergence and economic growth in EU*, ERSA conference papers ersa16p244, European Regional Science Association, 2016.

43. *The impact of standard value added tax on economic growth in CEE-5 countries: econometric analysis and simulations*, Technological and Economic Development of Economy, 22 (6), pp. 850-866, 2016.

44. *Planul de investiţii al Comisiei Juncker şi potenţialul impact asupra economiei româneşti*, Studii de Strategie și Politici SPOS, Institutul European din România, 2016.

45. *Nonlinearities and divergences in the process of European financial integration*, Economic Modelling, vol. 46(C), pp. 416-425, 2015.

46. *The Assessment of Some Macroeconomic Forecasts for Spain using Aggregated Accuracy Indicators*, Journal for Economic Forecasting, 2, pp. 30-47, 2015.

47. *Interactions between financial markets and macroeconomic variables in EU: a nonlinear modeling approach*, ERSA conference papers ersa15p685, European Regional Science Association, 2015.

48. *Investment and Economic Growth on Medium and Long Term*, Journal of Financial and Monetary Economics, vol. 2(1), pp. 2-14, 2015.

49. Stock Market Asymmetric Volatility and Macroeconomic Dynamics in Central and Eastern Europe, ELSEVIER, Procedia Economics and Finance, Volume 22, pp. 560-567, 2015.

50. *Lawrence R. Klein and the Economic Forecasting – A Survey*, Journal for Economic Forecasting, 1, pp. 5-14, 2014.

51. *A Nonlinear Model to Estimate the Long Term Correlation between Market Capitalization and GDP per capita in Eastern EU Countries*, Journal of Economic Computation and Economic Cybernetics Studies and Research, 3, pp. 5-22, 2014.

52. *Estimating the Impact of Quantitative Easing on Credit Risk through an ARMA-GARCH Model*, Journal for Economic Forecasting, 3, pp. 39-50, 2014.

53. *Disparități și tendințe în în dezvoltarea regională: un model nelinear de simulare* (pp. 253-274), Regionalizare și politici regionale (coord.: Rogojanu D.-C.), Editura LUMEN, 2014.

54. *The Effect of ECB's Quantitative Easing on Credit Default Swap Instruments in Central and Eastern Europe*, ELSEVIER, Procedia Economics and Finance, Volume 8, pp. 122-128, 2014.

55. *A Model to Estimate Macroeconomic Parameters for Growth in EU*, ELSEVIER, Procedia Economics and Finance, Volume 15, pp. 294-302, 2014.

56. *Trends in Convergence in EU. Differences between EU-10 and EU-15,* ERSA conference papers ersa13p765, European Regional Science Association, 2013.

57. *Foreign Trade and FDI as Main Factors of Growth in the EU*, Journal for Economic Forecasting, 2, pp. 7-17, 2013.

58. *Integration and Convergence in UE*, Global Business, Economics and Finance Conference, Wuhan, People's Republic of China, May 9, 2013.

59. *Trends in Real Convergence and Structural Changes in EU*, EcoMod2013 5645, EcoMod, 2013.

60. *Non-linear Modelling in Economics – Beyond Standard Economics*, Addleton Academic Publishers, New York, 2012.

61. *A Model to Estimate how Deep and how Long could be the Recession* (pp. 239-250), Economic Essays (Ed.: Papanikos G.), Published by ATINER, Athens, 2012.

62. *Romania: Socioeconomic Metabolism and Sustainable Policies* (pp. 355-366), Economic Essays (Ed.: Papanikos G.), Published by ATINER, Athens, Greece, 2012.

63. *Creşterea contribuţiei comerţului exterior la realizarea convergenţei reale*, Editura Economică, Bucureşti, 2012.

64. *Perspectivele pieţei muncii din România în contextul Strategiei Europa 2020*, Editura Economică, Bucureşti, 2012.

65. *Proiecţii şi scenarii de evoluţie a creşterii economice în România, pe termen lung şi foarte lung*, Editura Academiei Române, Bucureşti, 2012.

66. *The Convergence Process in the EU Estimated by Gini Coefficients*, Romanian Journal of Economic Forecasting, Vol. 15, No. 4, pp. 5-16, 2012.

67. *Trends in Income Distribution*, Romanian Journal of Economics, Institute of National Economy, vol. 35(2(44)), pp. 33-44, 2012.

68. *Structural Convergence in European Union*, Annals - Economy Series, Constantin Brancusi University, Faculty of Economics, vol. 4, pp. 1-10, 2012.

69. *Quantifying the impact of current crisis on the convergence in EU and post-crisis scenarios*, ERSA conference papers ersa12p433, European Regional Science Association, 2012.

70. *Model of Comparative Analysis of the Main Indices of Economic and Social Performance of the European Union Countries*, ERSA conference papers ersa12p111, European Regional Science Association, 2012.

71. *Debt Sustainability and Growth Challenges*, The 7th Annual International Symposium on Economic Theory, Policy and Applications, ATINER Conference, Athens Institute for Education and Research, 23-26 July, Athens, 2012.

72. *Lorentz Curve and Convergence in EU*, International Workshop on Opportunities for Growth, Trade and Investments after Crisis, 9-10 November, Babes-Bolyai University, Cluj-Napoca, 2012.

73. *Current Crisis and Convergence Process in EU***,** Euro zone crisis, member states interests, economic dilemmas, 9th Hungarian-Romanian bilateral workshop, RCERS, Institute of World Economics, 30 November, Budapest, 2012.

74. *Analysing drivers of and barriers to the sustainable development: hidden economy and hidden migration* (pp. 295-304), Trends and future of sustainable development (Eds.: Hanna Lakkala & Jarmo Vehmas), FFRC eBOOK 15/2011, Finland Futures Research Centre, University of Turku, 2011.

75. *Romanian Metabolism and Sustainable Policies* (pp. 71-80), Can we break the addiction to fossil energy? (Eds.: Jesus Ramos-Martin, Mario Gianpietro, Sergio Ugliati, Sandra Bukkens), Universitat Autonoma de Barcelona, Institute of Environmental Science and Technology, 2011.

76. *The Impact of the Basescu Presidency on Romanian Agriculture* (pp. 293-308), Romania Under Basescu: Aspirations, Achievements, and Frustrations During His First Presidential Term (Eds.: Ronald King and Paul Sum), Lexington Books, 2011.

77. *Macroeconomie financiară*, Editura MUSTANG, Bucureşti, 2011.

78. *An Essential Non-Linear Model: The Simulation Model of the Long-Term Dynamics of Public Debt* (pp. 28-36), Nonlinear Approaches to Crisis and Conflict (Ed. Ionut Purica), Editura Expert, Bucharest, 2011.

79. *Spatial Distribution of the Informal Economy. A Theoretical and Empirical Investigation*, SCIENZE REGIONALI, FrancoAngeli Editore, vol. 0(1), pp. 63-80, 2011.

80. *Analysing drivers of and barriers to the sustainable development: hidden economy and hidden migration*, MPRA Paper 32810, University Library of Munich, 2011.

81. *Changes in Economy or Changes in Economics?* Working Papers of National Institute of Economic Research 110824, 2011.

82. *European Performances regarding Flexicurity. The Case of the New Member States*, ERSA conference papers ersa10p909, European Regional Science Association, 2011.

83. *Fiscal and Debt Sustainability and Growth Challenges*, Studies in Business and Economics, Lucian Blaga University of Sibiu, Faculty of Economic Sciences, vol. 6(3), pp. 5-38, 2011.

84. *Structural Changes and Convergence in EU and in Adriatic-Balkans Region*, Romanian Journal of Economics, Institute of National Economy, vol. 32(1(41)), pp. 78-96 (studiu publicat în forme preliminare la ERSA conference papers ersa11p442, European Regional Science Association, și MPRA Paper 31288), 2011.

85. *A model to Estimate How the Recession Could Affect the Convergence Process in EU and in Adriatic – Balkan Region*, The 6th Annual International Symposium on Economic Theory, Policy and Applications, ATINER Conference, Athens Institute for Education and Research, 25-26 July, Athens, 2011.

86. *A model to estimate the effect of global crisis on the convergence process in EU*, EcoMod2011 3362, EcoMod, EcoMod Conference, University of the Azores, Ponta Delgada, Portugal, June 29 - July 1, 2011.

87. *Analysing drivers of and barriers to the sustainable development: hidden economy and hidden migration*, Trends and Future of Sustainable Development, Final Conference of SMILE FP 7 EU Project, Finland Futures Research Centre, University of Turku, 9-10 June, Tampere, 2011.

88. *Model pentru investigarea mecanismului creșterii economice în perioada post-criză în EU*, Conferinta internationala "Investițiile și relansarea economică", Catedra Eficiența Economică, ASE Bucuresti, 27 mai, 2011.

89. *Previziuni economice pe termen scurt*, Comisia de Studii Prospective, Academia Română, 4 mai, 2011.

90. *Relații economice China-România*, Comisia de Studii Prospective, Academia Română, 20 ianuarie, 2011.

91. *Spatial Distribution of Key Macroeconomic Growth Indicators in the EU-27: A Theoretical and Empirical Investigation* (pp. 175-196), The Labour Market Impact of the EU Enlargement – A New Regional Geography of Europe? (Eds.: Caroleo F. E., Pastore F.), Physica-Verlag, Springer-Verlag, Berlin, Heidelberg, London, New York, 2010.

92. *Impact of Investments on an Emerging Economy: Models and Forecasts. The Case of Romania*, Economic Issues, Problems and Perspectives Series, Nova Science Publishers, Inc., New York, 2010.

93. *A Simulation Model to Investigate the Public Debt Sustainability* (pp. 440-455), Applied Financial Economics, Samos Island, Greece, 1-3 July, AFE Conference 2010, Edited by Research and Trening Institute of the East Aegean (INEAG), Published by National and Kapodistrian University of Athens, Greece, 2010.

94. *Balancing Demand and Supply on the ICT Labor Market in Romania* (pp. 275-288), Economic Themes I (Ed.: Roufagalas J.), Published by ATINER, Athens, Greece, 2010.

95. *Economia la răscruce? Dar ştiinţa economică?* (pp. 57-62), România post-criză: reprofesionalizarea (coord.: Maliţa M., Georgescu C.), Institutul de Proiecte pentru Inovaţie şi Dezvoltare, IPID, Compania, Bucureşti, 2010.

96. *Economia la răscruce? Dar ştiinţa economică?* (pp. 43-46), România post-criză. Reprofesionalizarea României III (Ed.: Celac S.), Raport al Institutului de Proiecte pentru Inovaţie şi Dezvoltare, IPID, Bucureşti, 2010.

97. *Spatial Distribution of Key Macroeconomic Growth Indicators in the EU-27: A Theoretical and Empirical Investigation*, Conference on Labour Market Impact of the European Union Enlargement, Univ. Naples, Naples, September 2007, Source: Labour market impact of the EU enlargement: a new regional geography of Europe? Book Series: AIEL Series in Labour Economics, pp. 175-194, 2010.

98. *Examples of New Macroeconomic Modelling and Simulation Techniques: How They Could Improve Decisions and Public Perception*, Romanian Journal of Economic Forecasting, Vol. 13, No. 5, pp. 7-16, 2010.

99. *Estimating Hidden Economy and Hidden Migration: The Case of Romania*, Romanian Journal of Economic Forecasting, Vol. 13, No. 2, pp. 46-56, 2010.

100. *European performances regarding flexicurity in the new member states and their regions*, Romanian Journal of Economic Forecasting, Vol. 13, No. 5, pp. 59-73, 2010.

101. *Regional Comparative Analysis Model of Specialization in the Manufacturing Industry: Romania and the EU-25 Case Study*, TRANSFORMATIONS IN BUSINESS AND ECONOMICS, Vol. 9, No. 1, pp. 411-433, 2010.

102. *From Standard Macroeconomics to Non-Linear Macroeconomics*, Studies in Business and Economics, Lucian Blaga University of Sibiu, Faculty of Economic Sciences, Vol. 5(1), pp. 5-33 (studiu bazat pe cel publicat iniţial ca *Non-linear models: applications in economics*, MPRA Paper 3100, University Library of Munich, 2006), 2010.

103. *Classification of competitiveness types using copula*, MPRA Paper 30314, University Library of Munich, 2010.

104. *Scenarios for post-crisis period based on a set of presumed changes in the interest rate – investment – GDP growth relationship*, MPRA Paper 32753, University Library of Munich, 2010.

105. *Influenţa ciclului economic asupra proceselor de inovare şi a dinamicii competitivităţii*, Proiect: Inovarea şi creşterea competitivităţii - vectori fundamentali ai progresului economico-social al României, Programul naţional PNCDI-II, Institutul de Prognoză Economică, Bucureşti, Octombrie, 2010.

106. *MuSIASM for Sustainable Policies: Romanian Metabolism in Productive and Transportation Sectors*, 7th Biennial International Workshop "Advances in Energy Studies", 19-21 October, Barcelona, Spain, 2010.

107. *National Expert Assessment of the Gender Perspective in the National Reform Programme for Employment - Country: Romania (Part A and B)*, European Commission, Employment, Social Affairs and Equal Opportunities DG, EGGE - European Network of Experts on Employment and Gender Equality issues, Brussels, 6 October, 2010.

108. *European Performances regarding Flexicurity. The Case of the New Member States*, The 50th European Congress of the Regional Science Association International "Sustainable Regional Growth and Development in the Creative Knowledge Economy", 19-23 August, Jönköping, Sweden, 2010.

109. *A model to estimate how deep and how long could be the recession*, The 5th Annual International Symposium on Economic Theory, Policy and Applications, ATINER Conference 2010, Athens Institute for Education and Research, St. George Lycabettus Boutique Hotel, 26-29 July, Athens, Greece, 2010.

110. *A Model to Simulate the Long-Term Dynamics of Public Debt*, EcoMod2010 259600006, EcoMod, International Conference on Economic Modeling, EcoMod Conference 2010, Istanbul Bilgi University, July 7-10, Istanbul, Turkey, 2010.

111. *Second Thematic Report 2010: Life-long learning and new skills in Romania: the gender perspective*, European Commission, Employment, Social Affairs and Equal Opportunities DG, EGGE - European Network of Experts on Employment and Gender Equality issues, Brussels, 13 June, 2010.

112. *Scenarios for post-crisis period based on a set of presumed changes in the interest rate – investment – GDP growth relationship*, The 9th Annual Conference on Global Imbalances, Financial Institutions, and Reforms in the Post-Crisis Era, EEFS Conference 2010, European Economics and Financial Society, 3-6 June, Athens, 2010.

113. *First Thematic Report 2010: Elderly care in Romania*, European Commission, Employment, Social Affairs and Equal Opportunities DG, EGGE - European Network of Experts on Employment and Gender Equality issues, Brussels, 29 March 2010.

114. *Non-Linear Models: Applications in Economics* (pp. 14-50), Nonlinear Approaches to Economic Processes (Ed.: Purica, I.), Editura Expert, Bucureşti, 2009.

115. *Sistemul Public de Sănătate şi Creşterea Economică – modele de analiză şi previziune*, Editura Expert, Bucureşti, 2009.

116. *Economics of Sustainable Development – Sustainable Development through Education, Research and Innovation*, Editura MUSTANG, Bucureşti, 2009.

117. *Analize prospective. Propuneri. Recomandări şi mixuri de politici pro-dezvoltare durabilă a României*, Editura Expert, Bucureşti, 2009.

118. *Finanţe publice: introducerea unui cadru fiscal-bugetar pe termen mediu*, Institutul European din România, 2009.

119. *Public finance: introduction of a medium-term budgetary framework*, European Institute of Romania, 2009.

120. *How deep and how long could be the recession in Romania?* AMFITEATRU ECONOMIC, Vol. 11, No. 3, pp. 675-683, 2009.

121. *Simulation of long-Term Correlation between Demographic Variables and Economic Growth*, International Economic Conference, IECS, Lucian Blaga University of Sibiu, May 2009, Source: Industrial revolutions, from the globalization and post-globalization perspective, Vol. I: Industrial revolutions: globalization, post-globalization, pp. 3-14, 2009.

122. *Empirical Distribution of CO2 Emission in EU*, Metalurgia International, Vol. 14, No. 6, pp. 40-43, 2009.

123. *Patterns of Foreign Direct Investment in the New EU Countries*, Romanian Journal of Economic Forecasting, Vol. 10, No. 2, pp. 42-51, 2009.

124. *A method to evaluate composite performance indices based on variance-covariance matrix*, MPRA Paper 19979, University Library of Munich, 2009.

125. *Estimation of Equilibrium Real Exchange Rate and of Deviations for Romania*, Working Papers of National Institute of Economic Research 090105, 2009.

126. *Evidences of the Intensity of the Balassa-Samuelson Phenomenon in the Romanian Economy*, Working Papers of National Institute of Economic Research 090106, 2009.

127. *Estimarea Cursului Real de Echilibru si a Deviatiilor pentru Romania*, Studii Economice 090706, National Institute of Economic Research, 2009.

128. *Evidente privind Intensitatea Fenomenului Balassa-Sauelson pentru Economia Romaneasca*, Studii Economice 090705, National Institute of Economic Research, 2009.

129. *Long-Term Correlations between Demographic Variables and Economic Growth*, Studies in Business and Economics, Lucian Blaga University of Sibiu, Faculty of Economic Sciences, vol. 4(4), pp. 5-28, și MPRA Paper 33003, University Library of Munich, 2009.

130. *Impact of Public Health System upon Economic Growth*, Revista Economica, Lucian Blaga University of Sibiu, Faculty of Economic Sciences, Supliment Nr. 1, pp. 7-16, 2009.

131. *A Method to Evaluate Composite Performance Indices Based on the Variance-Covariance Matrix*, International Conference: Sustainable Development and Competitiveness, Center on Sustainable Development, UNWE, Sofia, Bulgaria, 25-26 September 2009.

132. *A Model to Estimate Behavioral Regimes in Tax Evasion*, ATINER Conference - 2009, The 4th INTERNATIONAL SYMPOSIUM ON ECONOMIC THEORY, POLICY AND APPLICATIONS, Athens, 3-6 August 2009.

133. *Estimating hidden economy and hidden migration: case of Romania*, EEFS Conference - 2009, Warsaw, 4-7 June 2009.

134. *Determinanţi ai creşterii economice, ocupării şi competitivităţii. Metode şi tehnici de măsurare. Analize comparative*, Editura Academiei Române, Bucureşti, 2008.

135. *Definirea flexisecurităţii din perspectiva strategică a Uniunii Europene şi armonizarea cu punctele de vedere ale partenerilor sociali*, INCSMPS, IPE, ASE, UVT, Editura AGORA, Bucureşti, 2008.

136. *Estimarea corelaţiei dintre indicatorii sistemului de sănătate şi nivelul dezvoltării economice* (pp. 36-51), Stadiul actual şi perspective ale României ca membră a UE (Coord.: Dimitrescu M.), Editura Expert, Bucureşti, 2008.

137. *Analiza interdependenţelor dintre dezvoltarea durabilă a României şi a ţărilor membre UE în perioada postaderare*, Academia Română, INCE, Institutul de Prognoză Economică, CIDE, Editura Expert, Bucureşti, 2008.

138. *Economics of Sustainable Development. Financing Regional Development*, Proceedings of the International Conference on Economics of Sustainable Development – Financing the Regional Sustainable Development, Tulcea, November, 1-3, 2007, Ecological University of Bucharest, Faculty of Economic Sciences, Institute for Economic Forecasting, Editura MUSTANG, Bucharest, 2008.

139. *Evidenţe privind intensitatea fenomenului Balassa-Samuelson pentru economia românească* (pp. 166-174) şi *Estimarea cursului real de echilibru şi a deviaţiilor pentru România* (pp. 175-189), Convergenţa economică (coord.: Iancu A.), Editura Academiei Române, Bucureşti, 2008.

140. *Evidences of the Intensity of the Balassa-Samuelson Phenomenon in the Romanian Economy* (pp. 132-140) şi *Estimation of Equilibrium Real Exchange Rate and Deviations for Romania* (pp. 141-155), Economic Convergence (Coordinator: Aurel Iancu), The Publishing House of the Romanian Academy, Bucharest, 2008.

141. *A Model to Estimate the Public Debt Sustainability*, Economic Computation and Economic Cybernetics Studies and Research, Vol. 42, No. 3-4, pp. 77-84, 2008.

142. *Impact of Public Health System upon Economic Growth*, International Economic Conference on Integrative Relations between the European Union Institutions and the Member States, May 2008, Sibiu, Source: Integrative Relations between the European Union Institutions and the Member States, Vol. 1, pp. 7-16, 2008.

143. *A Model to Estimate Spatial Distribution of Informal Economy*, Romanian Journal of Economic Forecasting, Vol. 9, No. 4, pp. 111-124, 2008.

144. *A Model to Estimate the Composite Index of Economic Activity in Romania – IEF-RO*, Romanian Journal of Economic Forecasting, Vol. 9, No. 2, pp. 44-50, 2008.
