

CALL FOR ABSTRACTS

International Conference "Economic Development and Social Sustainability EDaSS 2024 XIII Edition Valletta, Malta May 8-10, 2024

We are pleased to announce that we will organise the XIII edition of the International Conference "Economic Development and Social Sustainability" – EDaSS 2024 in Valletta, Malta, on 8-10 May 2024. Faculty of Economics, Management & Accountancy, Campus Valletta (220 St Paul Street, Il-Belt Valletta VLT 1217, Malta) University of Malta.

AIMS

EDaSS International Conference "Economic Development and Social Sustainability" in its XIIIrd edition aims to promote reflection and discussion about the new holistic view of sustainability. This is a forum for academics, scientists and professionals from various fields related to sustainable development from environmental, social, and economic perspectives. We expect that business stakeholders, researchers and experts worldwide can share new ideas and create a dialogue related to sustainable development, establish research or business relations, and find national and international partners for future collaboration. Maritime issues affairs are especially welcome.
