Almeria, Spain, 6 - 8 June 2024

10th BASIQ International Conference on
New Trends in Sustainable Business and Consumption
6 - 8 June 2024, The University of Almeria, Spain

Dear Colleagues,

We are pleased to invite you to the 10th edition of **BASIQ** International Conference on “*New Trends in Sustainable Business and Consumption*” - **BASIQ 2024**, which will be hosted by the University of Almeria in Spain, between **June 6th** and **June 8th**, 2024.

This year’s edition is jointly organized by: BASIQ Association, The University of Almeria, Bucharest University of Economic Studies - the Faculty of Business and Tourism, and Amfiteatru Economic Journal.

The BASIQ International Conference aims to explore the impact of the **most recent changes in business and consumer behavior on the economy and society**. Contributors should underline the importance of their research findings from a broader international and global perspective, especially if their work focuses on specific geographies or cultures. The organizers of the conference invite submissions on the following major topics:

- State of the art in economics and business
- Demographic trends. Economic and social implications
- Global and local sustainable development perspectives
- Strengthening modern knowledge: competency-based education and new ways of capacity building
- Value creation through innovative business models; new forms of market interaction, open innovation, and collaborative networks
- New values, attitudes, and consumer behaviors. Emerging risks and evolving consumer rights
- New trends in travel and tourism. Resilience and sustainability challenges in travel and tourism

Important deadlines:

25 March 2024 - Full paper submission

30 April 2024 - Notification of paper acceptance to authors

15 May 2024 - Conference fee payment

The **conference proceedings volume** (with ISSN) will be submitted for indexation to Clarivate Analytics under the aegis of Amfiteatru Economic Journal.

Proceedings from previous editions (BASIQ 2015-2020) are **indexed** by The Conference Proceedings Citation Index, a **Web of Science™** Core Collection database. The BASIQ 2021-2023 Proceedings have been submitted and are under review by Clarivate Analytics for indexing. Additionally, the Conference Proceedings are submitted to **DOAJ** and **RePEc** for indexing.

More information on the conference may be found at: <http://conference.ase.ro/>.

Feel free to forward this invitation to anyone who might be interested!

Best regards,
The Conference Committee
