

The 17th International Conference on Applied Statistics

ACADEMIC AND OFFICIAL STATISTICS: NEW METRICS IN THE DATA ECOSYSTEMS

November 14-15, 2024
Bucharest, National Institute of Statistics
Romania

Call for papers

ICAS 2024

KEY DATES

Abstract submission: 15 July 2024

Author notification about the acceptance of the paper: within 10 days from receiving the abstract

Fee payment deadline: 2 September 2024

Submission of revised paper for publication: 1 December 2024

PATRONAGES

The **17th International Conference on Applied Statistics** is jointly organized by the Department of Statistics and Econometrics from the Bucharest University of Economic Studies, the National Institute for Statistics and the Applied Statistics and Econometrics Group.

AIMS AND SCOPE

The main goal of the **17th International Conference on Applied Statistics** is to provide an opportunity for academics, researchers, practitioners from official statistics and professionals from the business environment to meet and to present their research results on topics related to quantitative analysis and applied statistics. A two-day program consists of invited paper presentations, contributed paper sections on various topics and ends with a workshop on the interactions between academic and official statistics.
